### Project Story

Oxlease Meadows is a development of executive family homes located in a highly desirable area of Hampshire, between Romsey and Winchester. Built to the highest level of specification Proludic have created a LEAP that enhances the area, sits harmoniously within the surrounding environment and creating a hub for the local community.

Our natural Origin range has been used to create a natural play area for a wide age range and enables families to enjoy and play together in a safe environment.

After

“ Proludic have delivered the new LEAP at Oxlease to the highest standards and on time, the local community are extremely pleased with the play equipment on offer and the visual appeal. We look forward to working with Proludic in the future. ”

## Origin Range

The Origin' range reproduces the very essence of what nature has to offer: a forest walk, crossing a stream over stepping stones or an uprooted tree trunk, a playhouse made of fallen branches, an adventure trail that includes climbing, sliding and observing. Children's senses are awakened and stimulated by visual and tactile contact with Robinia wood. Clean product lines, minimal design and essential play activities are all values which form the fundamental principles of the Origin range.
