

Harbour Village

Brand New Play Area for Redrow Development

Client: Redrow Homes

Address: Fleetwood Docks, Fleetwood, FY7 7PP

Budget: £58,000

Age Range: Toddler & Junior

Project Story

Redrow Homes required a brand new play area for their latest development that would sit seamlessly amongst the brand new homes that they had recently built and surrounded the space.

Proludic created a play area that incorporated different textures, materials and activities. We worked in partnership with Redrow and provided a design rationale for this project which provided reasoning on why we choose specific equipment and materials. We created a space that sits naturally into the background of its beautiful location bordering the river Wyre.

After

Before

One of the best play facilities that Redrow had built in the North West!

Origin

Origin Range

Origin is a Robinia wood multiplay equipment range, great for natural settings. Origin has grown from the instinctive desire children have to play and interact with the natural environment. Taking inspiration from the natural environment that surrounds us. Clean product lines, minimal design and essential play activities are all values which form the fundamental principles of the Origin range.
